NELAN GAVESHA

Information Technology Undergraduate

Aspiring Database Administrator

PROFESSIONAL SUMMARY

Motivated and detail-oriented Information Technology undergraduate at the University of Sri Jayewardenepura, with foundational knowledge of SQL, MySQL, relational databases, database design, and normalization. Gained practical experience in database-related development, system design, and data management through university software projects, including SaveX and YrDoc. Possesses strong analytical thinking, problem-solving, teamwork, and communication skills, supported by experience in maintaining accurate business records and preparing operational reports. Eager to join Future ICT as a Database Administrator Intern to apply technical knowledge, gain hands-on experience in database administration, security, backup and recovery, and performance optimization, while contributing to reliable and efficient database operations.
